

# J & S Dauvissat

## Chablis Séchet 1er Cru

### At a Glance:

- **Appellation:** AOC Chablis 1er Cru
- **Encépagement:** Chardonnay (100%)
- **Average Annual Production:** 2,500-3,000 bottles
- **Average Alcohol by Volume:** 12%
- **Average Residual Sugar:** < 5 g/l
- **Average Total Acidity:**

### In The Vineyard:

- **Parcel Names, Slopes, and Locations:** From 1.25 ha of vines in the center of the Séchet 1er cru
- **Soil Types and Compositions:** Kimmeridgian limestone-clay marls
- **Vine Age, Training, and Density:** Planted at 5,800 and 8,300 vines/ha and trained in Guyot. Vines are 30 years old.
- **Average Yields:** 50-60 hl/ha
- **Average Harvest Date and Type:** Mechanical harvest in early September

### In The Cellar:

- **Fermentation:** Wine ferments with selected yeasts in stainless-steel tanks
- **Pressing:** Pneumatic pressing
- **Time on Lees:** 12 months
- **Malolactic Fermentation:** Spontaneous, in tank in the spring
- **Élevage:** 2 years in stainless-steel tanks
- **Press Wine:** Blended after pressing
- **Fining and Filtration:** Bentonite fining, diatomaceous earth filtration
- **Sulfur:** Applied after fermentation, at rackings, and at bottling

### In The Glass:

The superb site enables more reliable ripening of the grapes than many competing 1er-cru sites. The Séchets produced by Sébastien Dauvissat is the most floral and fine of his 1er-cru wines, and offers an intriguing contrast with the old vines offering from Les Vaillons.
