- **Élevage:** 18-20 months in neutral barrel
- **Press Wine:** Blended after pressing
- **Fining and Filtration:** Unfined, unfiltered
- **Sulfur:** No added sulfur

### In The Glass:

This wine sits immediately next to both “Les Champeaux” and “Combe Aux Moines” and tends to be very four-square in its structure, with a dense core of blackberry fruit. It is typically firmer in structure than “Les Cherbaudes,” with a stern minerality owing to its scant topsoil—a mere five centimeters atop the mother rock—and a thrilling sense of drive.
