- **Élevage:** 12-14 months in 228-l barrels (75%) and stainless-steel tanks (25%). 20% of the barrels are new (15% total new oak).
- **Press Wine:** Blended after pressing
- **Fining and Filtration:** Rarely bentonite fined, occasionally plate filtered.
- **Sulfur:**

In The Glass:

An even more rare white wine than the Chorey Blanc, the Cornu family produces less than a handful of barrels. The wine is barrel-fermented and barrel-aged and it is important to note when assessing this wine that the vineyards are just around the corner from Corton Charlemagne!
